Resident Spotlight **Erlinda Romulo, The Cottages of Payette**

Erlinda {Linda} Romulo was born in Manila, Philippines. She lived her early years there including the Japanese Occupation. She completed a Bachelor's degrees in Nutrition and also in Home Economics at Philippine Union College. She then came to the US to earn her Masters degree in Nutrition at Loma Linda University. It was there she became the foster sister of Royalynn Case. After she earned her degree she returned to the Philippines for a few years but then returned to the US to work with Royalynn in hospitals in Ohio and Florida. When they moved to Idaho, Linda became the WIC nutritionist at Malheur County Health Department. She later studied massage and also served as Deputy City Clerk in New Plymouth. Linda's hobbies are gardening, sewing, crafting and cooking. She had the unique ability of being able to reproduce at home anything she ever saw or tasted. Linda developed her own patterns for sewing and crafts which she then taught to others. She also loved to entertain with oriental foods and desserts.

We love having Linda at The Cottages of Payette.

Faces of our Cottages Staff

Everyday Heroes create a lasting and positive change through simple acts of kindness, courage, and love. One of our core values at The Cottages is Teamwork, and we celebrate those who embody this core value.

This month we would like to acknowledge Rebecca Kanirie at The Cottages of Payette as an Everyday Hero. Becca steps up when her location needs her the most. She doesn't have to, but she does. People around her describe her as someone who loves her job and the residents as if they are family. Becca has a huge heart that is seen by many. We appreciate her for going above and beyond. She is truly a 'Giver of Care'.

Thank you, Becca, for exemplifying our mission statement, We Treat People Right! You are this month's Everyday Hero!

The Cottages April Photo Contest

Each month, we pick a subject to photograph for our Cottages Monthly Photo Contest. The theme for April was **Easter Hats**. To find the perfect photo, the residents had to be creative. They go on walks, golf cart rides, look within their own homes and go on weekly bus rides. The location with the most "likes" this month is **The Cottages of Middleton!** Congratulations!

Please see our Facebook page for all our contest submissions and pictures of other activities.
